

CEQB Task Force on Diversity and Inclusion

Terms of Reference

BACKGROUND

The purpose of this task force is to develop a new Public guideline for engineers and engineering firms on the topic of diversity and inclusion, in support of 30 by 30 and as directed by the Engineers Canada Board in October 2019.

TASKS / DELIVERABLES

The task force will focus on the following core tasks:

1. Review and provide input to the General direction written by the contractor; and,
2. Review and provide input to draft and final Public guideline written by the contractor.

MEMBERSHIP

The Chair of the task force shall be a member of the Qualifications Board (QB) and the task force should include regulators representatives and volunteers with experience in support of the 30 by 30 initiative or similar activities.

REPORTING

The task force will report directly to QB. A progress report will be provided to the QB at each meeting through the chair of the task force.
