

NOTICE OF MOTION

I hereby give notice that I will move, or cause to be moved, at the September 27-28, 2016 meeting of the Board of Directors of Engineers Canada, motions to the following effect for consideration by the Board:

- 1) To clarify the principal objective of accreditation of Canadian engineering programs by the Canadian Engineering Accreditation Board;
- 2) To initiate steps to implement some specific recommendations from the recent Forum on Accreditation on which there appears to be general agreement among the participants;
- 3) To form a task force to consider more fundamental changes to the current system of input credits in the CEAB accreditation criteria, with initial terms of reference and a suggested composition for the said task force.

Dated at Toronto this 14th day of September, 2016
