

Chief Executive Officers Group Report to the Board

Lia Daborn, CAE

Chief Executive Officer and Registrar, APEGNB

May 26, 2023

Background

- The CEO Group met all day on May 23 and for a half day on May 25.
- We had representation from all Regulators and welcomed Andrea Waldie, PGeo, of Geoscientists Canada as an observer.
- Mark Fewer was welcomed as the new CEO and Registrar of PEGNL.

Agenda items of note

The Group received presentations/updates on the following topics:

- Technicians and technologists and limited licensure issues
- Entity regulation pressure from Life Sciences BC
- Update on the Alberta Software Engineer Round Table Discussions
- Generative Discussion: Keeping each other apprised of policy/process changes that might impact colleague regulator operations
- Public Affairs Advisory Committee (PAAC) work plan
- Budget implications for Engineers Canada resulting from PEO signing on to the TDI Home and Auto Affinity Program

Two Discussion Sessions

- Chief Warden of the Corporation of Seven Wardens
- Engineering Deans Canada (CEAB invited as observers)

Questions?

Thank you

Lia Daborn
