

Chief Executive Officers Group Report to the Board

Kimberley King, FEC (Hon.)

Executive Director, Engineers Yukon

May 28, 2021

Background

- The CEO Group met virtually for over six hours on May 26 and 27.
- We had representation from all regulators.
- The Group welcomed new EGBC CEO, **Heidi Yang** and thanked outgoing CEO and Registrar, **Ann English** for her support over the years.

Agenda items of note

The Group received presentations/updates on the following topics:

- EDI training for the CEO Group
 - CEOs agreed to hold a joint EDI training session to be held in the Fall.
- Debrief on cross-country 30 by 30 meetings
- Preparation for Accreditation Strategic Priority
- Session with Engineering Deans Canada
 - The Deans expressed their appreciation for the ongoing dialogue with the CEO Group
- Public Affairs Advisory Committee (PAAC) workplan
- Engineers Canada Trademark and Copyright Licence
- International Mobility and IEA Meeting
- Update from Officials Groups
- Update on Strategic Engagement Working Groups
- Update on EC Projects (IIDD, NMDB, CBA)

Questions?

Thank you
