

Chief Executive Officers Group Report to the Board

Kimberley King, FEC (Hon.)

Executive Director, Engineers Yukon

February 25, 2022

Background

- The CEO Group met virtually for over six hours on February 23 and 24.
- We had representation from all Regulators.
- The Group welcomed new APEGS Executive Director and Registrar, Stormy Holmes.

Agenda items of note

The Group received presentations/updates on the following topics:

- Much time was spent discussing current issues in Regulators' respective jurisdictions
- Omnibus Regulatory Legislation in Alberta
- Update on AB P&P committee
- Updates on 2022-2024 Engineers Canada Strategic Plan Priorities
- Working remotely and licensure
- Issues by registrants to obtain insurance coverage
- Technicians and technologists and limited licensure issues
- NMDB privacy policies
- Preparation of bilingual procurement documents

CEO Group

Committee/Position Representation 2022/2023

Committee/Position	Representative
Chair	Lia Daborn
Vice-Chair	Pal Mann
AB's P&P	Kalina Bacher-René & Amit Banerjee
AB's Accountability in Accreditation Committee	Matt Oliver
30 x 30	Jim Landrigan
HR Committee	Janet Bradshaw
Affinity Advisory Committee	Pal Mann, Lia Daborn, Janet Bradshaw
Public Affairs Advisory	Jay Nagendran

COVID back to work issues

- Most jurisdictions indicated that they would be soon implementing flexible work arrangements for staff, consisting of a minimum number of days at the office.
- Regulators will be hosting either virtual or hybrid AGMs in the coming year.

Iron Ring Ceremony

- Many jurisdictions have been working with their local camps to modernise the Ceremony. CEOs indicated they would try to encourage sharing of information amongst the camps to facilitate progressive change across the country.

Questions?

Thank you

Kimberley King
