Key Themes from Regulator updates

- Many Regulators currently working on or have just completed Strategic Plans
- Many regulators undergoing or have undergone review of governance
- AGMs and other meetings typically online or hybrid. Often increased attendance
- Increased demand on volunteers – harder to get volunteers
- Many Regulators working on EDI - Women in the workplace – 30x30

Key Themes from Regulator Discussion

- Government Relations
- Firm Registration
- Legislation review, new
- Increased demand on volunteers – harder to get volunteers
- Out of province Councillors
- Licensure for Federal work
- CPD, dealing with senior or non-practicing positions
- Relations with Technologists

Follow-up Discussion

- AI, Software, Emerging Disciplines
 - Guidelines for Regulators
 - What is being done under strategic plan
